ALTITUDE

Altitude is our latest product. Mix of wave + D + S shape monofilament fibers and curly fibers with root effect technology which keep the monofilament fibers straight. Its high density fibers provide plush looks and soft touch. It's characterized for its tan fiber making it look more realistic.

Altitude is special for gardens, backyards with pets, around swimming pools and balconies. Its high drainage technology will prevent puddles and flooding. It is the perfect choice for those who want their lawns not to look very green and too perfect.
